

Application: SOURCE for Rural Farms

Site Name: The Farm in Byron Bay

Location: Byron Bay, NSW, Australia

Installation Method: Rooftop

Array Size: 10 Hydropanels

Project Overview

The Farm, a collection of micro-businesses dedicated to health and sustainability, has partnered with Zero Mass Water to bring SOURCE Hydropanels to Byron Bay, Australia. Delicious and renewable SOURCE water is being served at the Three Blue Ducks Restaurant located on the site. Over its lifetime, this SOURCE array will offset over 200,000 plastic water bottles.

This project received funding as part of ARENA's Advancing Renewables Program.
